The event was won by Martin Horrobin on a road bike, and Megal Lloyd was fastest female								
A wet day all over the county obviously put a lot of riders off, however the rain stopped as forecast just before								
the start time. So it was good to be able to get an event under way after the last two cancellations.								
Weather permitting there will be three events remaining this season.								
	Thanks to all of the riders, marshals and helpers who help keep these popular events running.
