HQ / Sign On		Alan Stark, Peter Leonard						
Course Marshals		Ken Davis, Maggi Biggs, Mick Braithwaite (Springfield), Martin Horrobin (Horwich)						
Results		Alan Stark						
Event Sec		Alan Stark						
A good ride by Duncan Park who made the 1 hour trip just to ride our events - cos he likes them!								
A fine PB by 13yo Olivia Smallshaw of 360 Cycling riding restricted gears.								
A wet day all over the county obviously put a lot of riders off, however the rain stopped as forecast just before								
the start time. So it was good to be able to get an event under way after the last two cancellations.								
Weather permitting there will be three events remaining this season.								
Thanks to all of the riders, marshals and helpers especially the SCC stalwarts who keep turning up each week								
A special mention to those members of other clubs who give up the chance of a ride to help out with marshalling								
without their help these events could not keep taking plce
