Congratulations to Simon Wilson on breaking the Course Record by over 20 seconds						
(he set the previous record last year!) how long before we see the first 18 minute ride on this course)						
A certain Cofidis Rider recorded an 18 minute ride on a previous version of the course back in 2006/7						
Rider 11 - Steve Whittle of Croston Velo suffered a crash about 300 yards before the finish						
He apparently hit a pothole, and suffered serious abrasions to face arms and legs.						
Luckily he seems to have escaped serious injury. Thanks to all who assisted until the ambulance arrived.						
Weather - Clear and sunny - with a light NW breeze. Thanks to all who took part and helped out						
Time Keepers : David Ritchie, Neil Langridge			Recorder - Jim Gunn
