Only 12 riders this week -- a combination of poor weather and possibility of cancellation due to Golf traffic kept people away.							
Some good times, with Scott Leverington breaking the course record again							
Weather Cold, 10 deg C, drizzle, light ENE breeze							
Note to riders: You are strongly advised to have flashing lights both front and rear.							
No U turns in the vicinity of the start and finish. After finishing, riders should turn LEFT into Blackgate Lane, before attempting to cross the main road back to the HQ area							
Thanks to all who made the event possible.
