Weather	Warm, bright, with a NW breeze						
Rider numbers were down as there was a question mark over the event due to Flower Show traffic							
It is the first time we have used this course during Southport Flower Show.							
Traffic flow was only slightly higher than normal - so should be OK for all future events							
Note to riders: You are strongly advised to have flashing lights both front and rear.							
Riders turning at the roundabouts must signal their intention to change lanes.							
All future Evening TT's - Event HQ at Mere Brow Village Hall Car Park. (Toilets available)							
Riders are requested not to park vehicles in the bays adjacent to the bowling green							
Thanks to all who made the event possible
