Due to roadworks affecting the start, we ran a 'Short course' 9 Mile TT.								
The report of the roadworks, plus a bad RTA at Penwortham probably kept numbers down								
Thanks to Neil Laing for acting as Starter, as Pete Leonard got caught up in the traffic.								
Next week is also likely to be a 9 mile event, as the roadworks are due to continue until the 20th								
I will assess the course prior to the event, and will hold a 10 if it is safe to do so.								
Thanks to all of the riders, marshals and helpers who help keep these popular events running.
